

Design of Reinforced Concrete Structures 2019-20 1st term			Dr András Draskóczy					
			Dear students!					
Here are the results of the 1st test. There were more 3 tests written, one without name and two with illegible names.								
This week the lecture will already be held in room K392, which is somewhat greater. We see each other on 31 of Oct								
when I also will show you the correction of the test
